### Opportunities for Parents

Below is an overview of examples of how parents can get involved in the Solebury Community and are great opportunities to meet other parents throughout the school year.....and the best part is that you can help either in person or remotely! General examples include:

- Attend HSA Meetings to learn more about the Solebury Community and how parents can help (in person and virtually)
- Joining a committee to help with coordination (in person and virtually)
- Signing up to donate an item for concessions for various events (look for Sign Up Genius in the weekly Parent eNews) which can be either dropped off in person or mailed to the school
- Onsite volunteer opportunities (look for Sign Up Genius' in the weekly Parent eNews)
